

# Frameworks for developing independence

## Writing to persuade

title

### Opening paragraph

What is your main argument?

### Arguments

What is the most important point you want to make? What supporting evidence can you add

What is your next point?  
Supporting evidence? Details?

Continue in this way with any other points you want to make.

Do you want your most important argument at the beginning or at the end?

Anything else

**Conclusion** – Remind the reader what your main point is and ask them to support you.
